A lot of people like cakes. You can buy a cake or you can bake it yourself. If you make it yourself, you can be sure you have added only good ingredients there. If you want to bake a cake, you should go to the shop. You will need to buy some flour, eggs, sugar, milk and butter. They should be fresh and of good quality. When you are baking a cake, it is very important for you to follow the instructions. If you do not do it, something may go wrong. You may serve your cake with fruit or berries. Some people also love cake with ice cream.
